BE FREE AND CONNECTED EVERYWHERE

Stay connected even when WiFi is out of reach! The new INSYS XF7-1401L has an internal 4G LTE (operator-free) modem, with antenna integrated into the chassis, so you can have connectivity and access to all your data and applications in the cloud, anywhere.

AUTONOMY FOR SEVERAL HOURS

INSYS XF7-1401L, with power efficiency, is designed to last longer than 6 hours on a single battery charge.

THIN AND LIGHT DESIGN

Stylish design with just 1.39Kg and 19mm thick. So light you will not even notice it's in your bag.

THE PORTS YOU NEED

Whether you want to connect to a big-screen TV via the HDMI port, use a USB drive for transferring data, or share your photos on the cloud after uploading them from the micro SD Card slot, INSYS XF7-1401L has everything you need!
