# Premium Ultrabook XF7- N1251

- Ultra Thin Metal Design    Full HD IPS Display    3 times Faster WiFi    6GB RAM and up to 1TB SSD    -

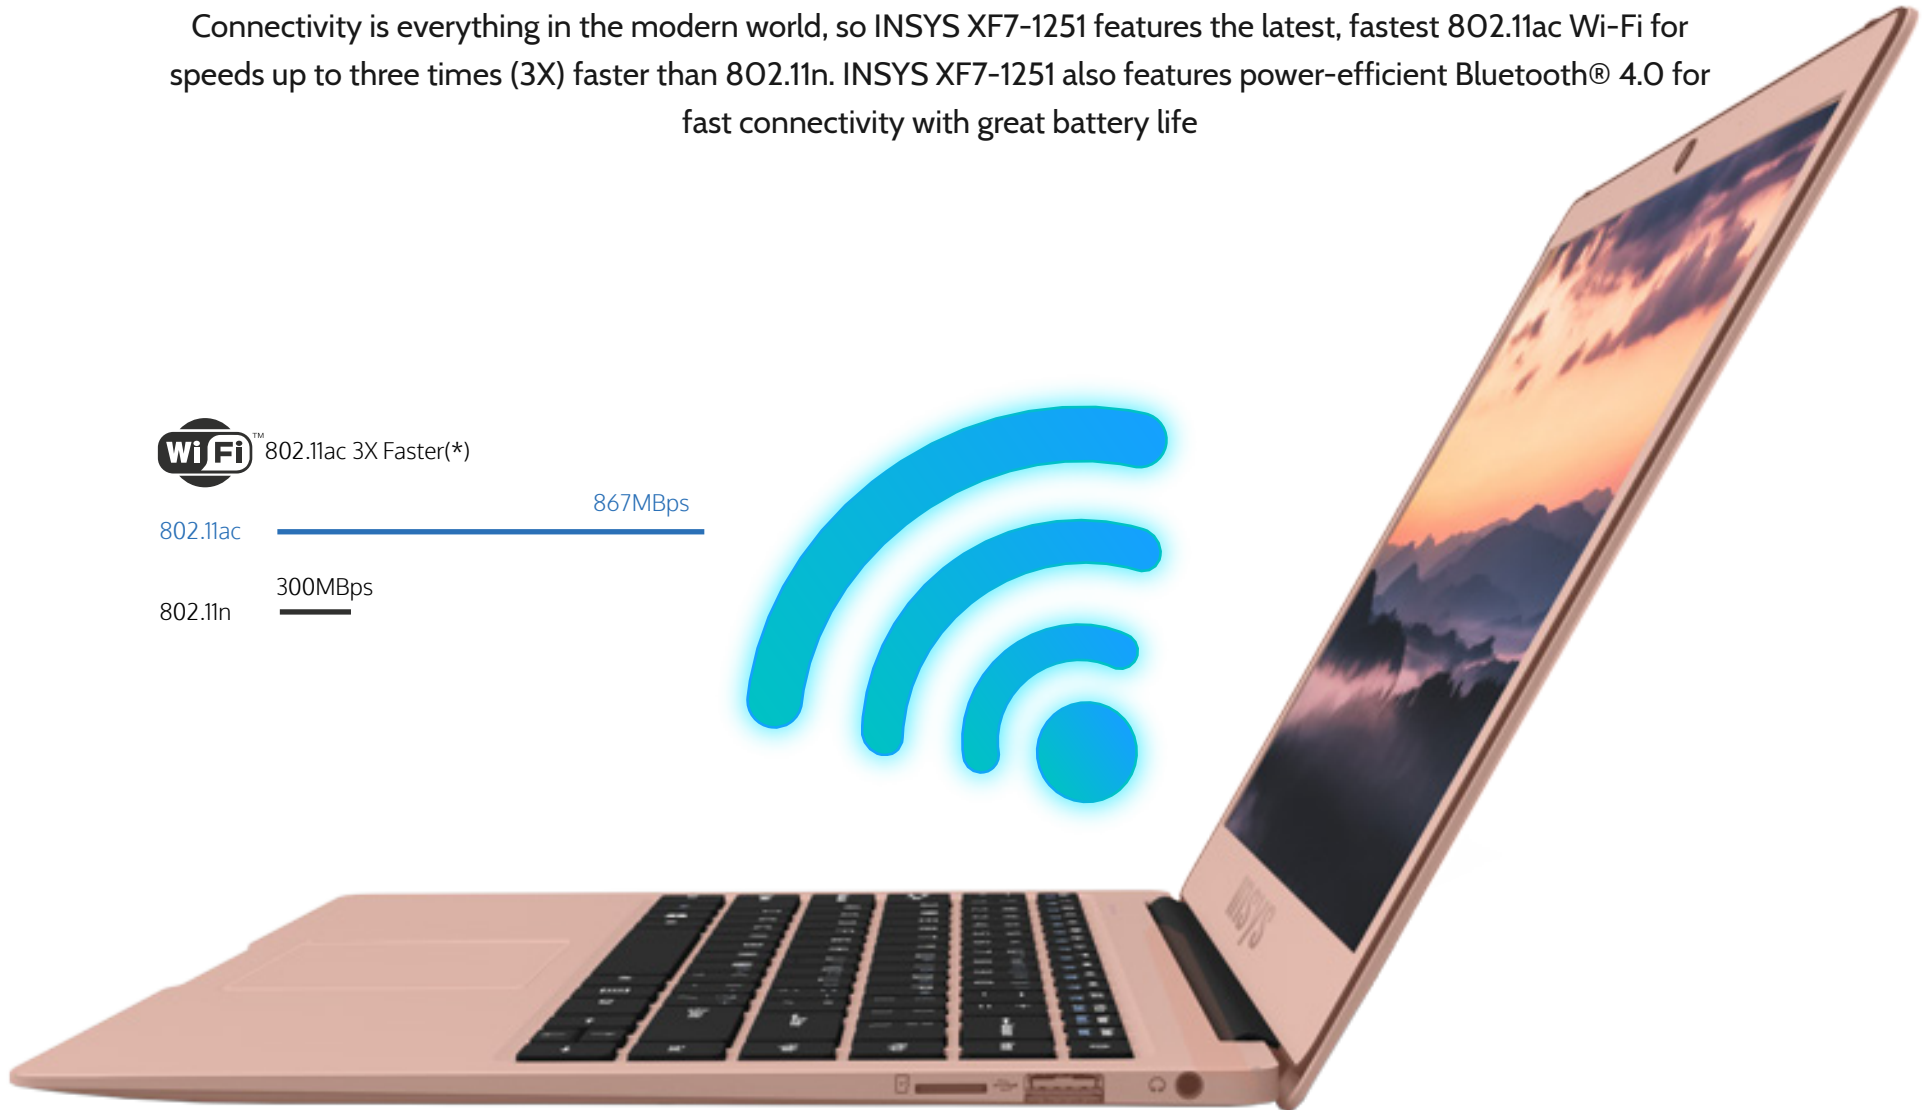

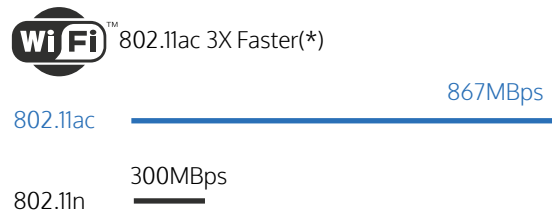

## Design – Ultra Thin All-Metal Chassis

One of the highlights about this INSYS XF7-1251 is its design. It is an extremely lightweight laptop with only 12.6mm all metal body. It's beautiful thin chassis will definitely give a clean, elegant look for your working desk.

## 3 X Faster WiFi

Connectivity is everything in the modern world, so INSYS XF7-1251 features the latest, fastest 802.11ac Wi-Fi for speeds up to three times (3X) faster than 802.11n. INSYS XF7-1251 also features power-efficient Bluetooth® 4.0 for fast connectivity with great battery life

# Powered for Fun

INSYS XF7-1251 is powered by an Intel® Quad Core processor with integrated Intel® HD Graphics 500, giving you plenty of processing power for casual surfing, streaming, and playing.

## 6 GB RAM

Apart from its processor, this laptop also has 6 GB RAM. This amount of RAM will allow you great flexibility for managing multiple tasks at the same time on Windows 10.

## Full HD Display is Great for Viewing

Full HD (1920 x 1080) resolutions ensure clarity in text and graphics as well as wide viewing angles up to 170 degrees.

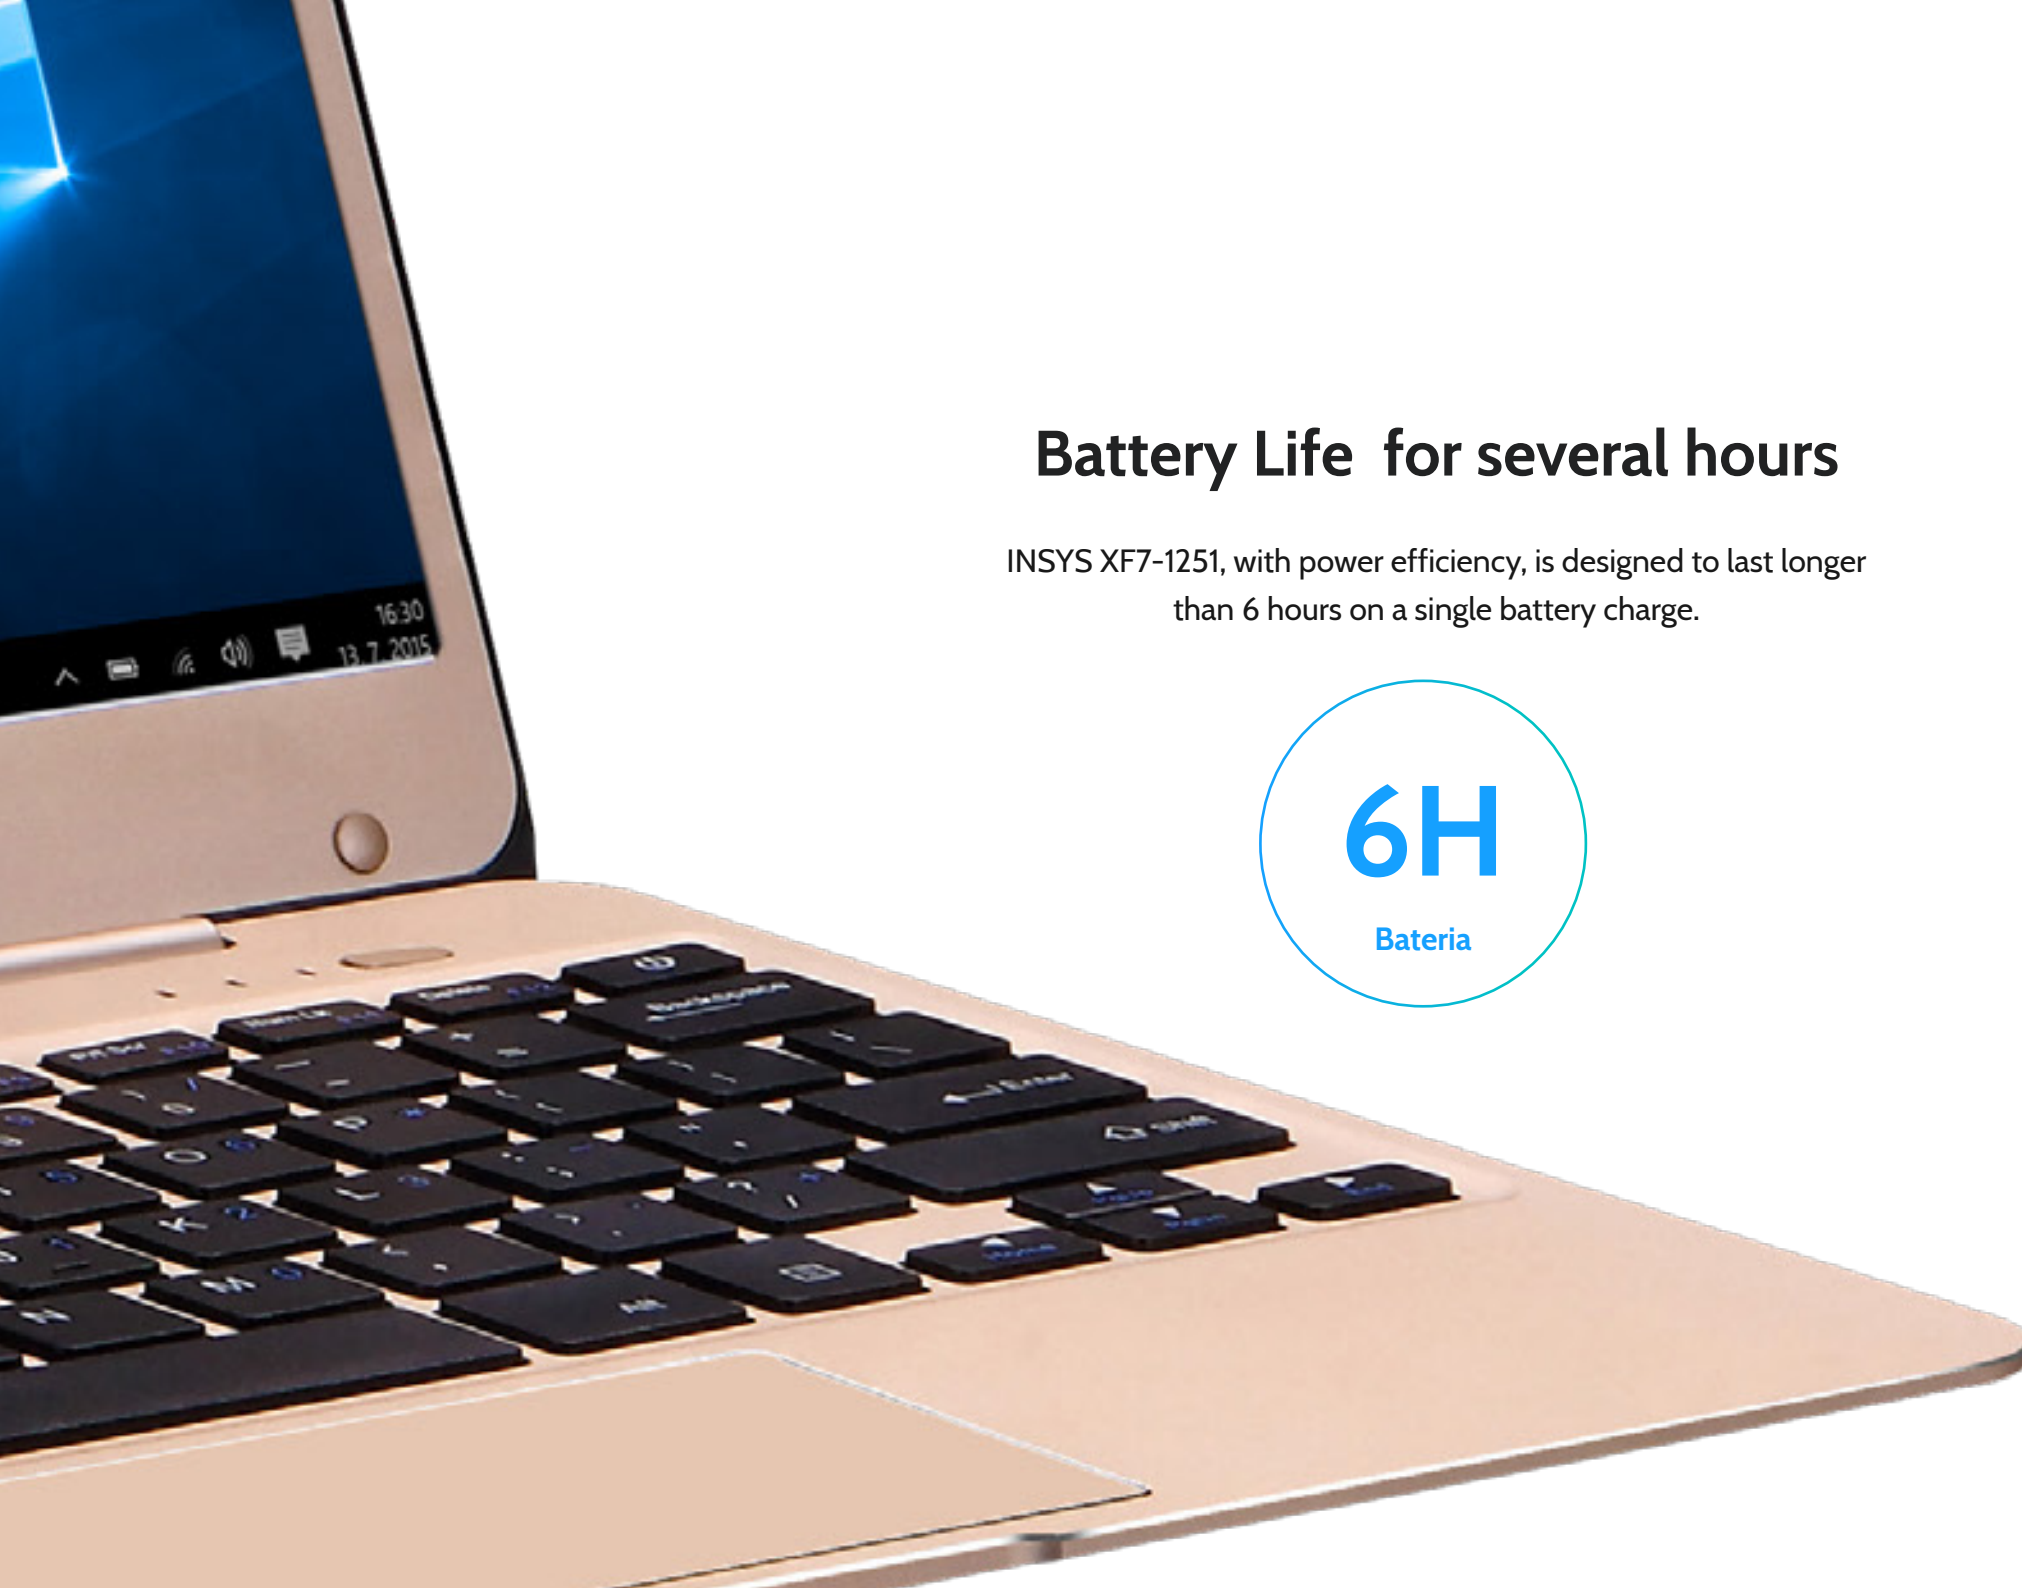

## Plenty of Storage

With up to 1TB M.2 SSD storage, you won't have to worry about where to put all your data, videos, music, or photos.

**1TB**

Armazenamento  
M.2 SSD

## Battery Life for several hours

INSYS XF7-1251, with power efficiency, is designed to last longer than 6 hours on a single battery charge.

## No-Compromise Connectivity

INSYS XF7-1251 is equipped with the new, Type-C USB Quick Charge Connector. In addition, INSYS XF7-1251 has one more USB port, a micro HDMI port and an SD Card slot so you can easily connect your current peripherals, displays and projectors with zero hassle.
