 Windows 10

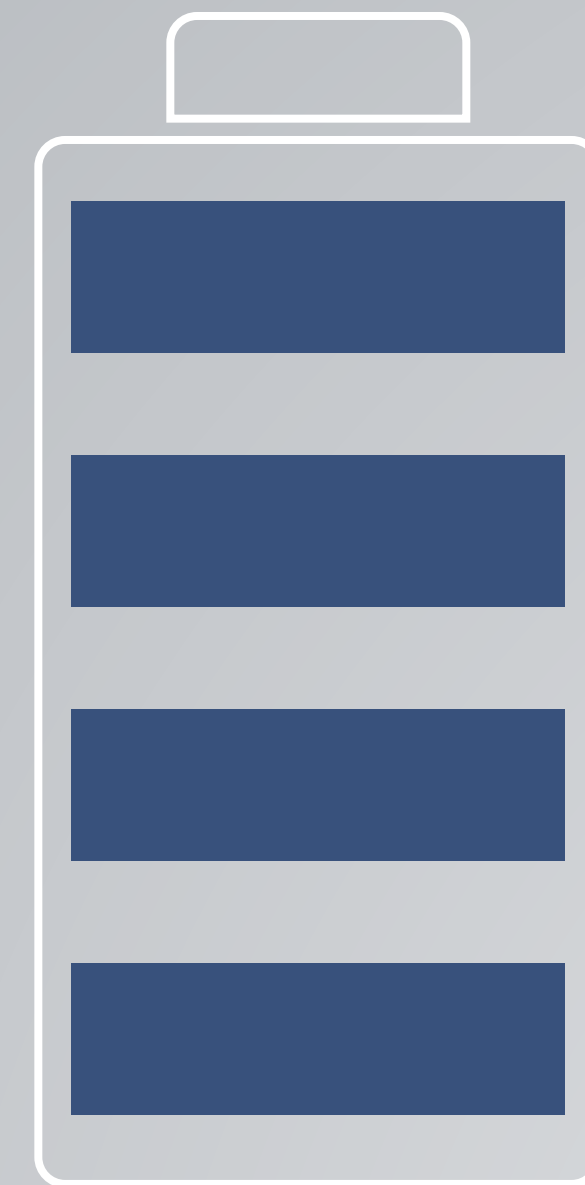

Your Slim and Ultra-light Mobile Companion!

For effortless mobility and productivity, INSYS 2-in-1 PC PT8-1040I is just 9,6mm thin. Even with the keyboard attached, is still a very travel-friendly. With a device this compact and light, you'll never have an excuse to leave it at home. Take it everywhere, store it anywhere!

Comfortable Battery Life

When you have a busy mobile lifestyle, great battery life is essential. With up to 5 hours between charges, you can be sure that INSYS 2-in-1 PC PT8-1040I will be right there whenever you need it. You can charge it via its micro USB port, so you can use a mobile charger or any power bank with a micro USB connector.

up to 5 hours

Quad-core Performance and Incredible Storage

The powerful quad-core Intel® Z8350 processor in INSYS 2-in-1 PC PT8-1040I means you'll have no problem breezing through all your everyday tasks, with seamless multitasking allowing you to get more done in less time. Storage is conveniently flexible, too. Inside, there's 64GB of super-fast flash storage, and it's easily expandable via the micro SD card slot.

Small, but big on connectivity!

Even though INSYS 2-in-1 PC PT8-1040I is incredibly slim and light, it has all the ports you need to connect devices on the go, micro USB, micro HDMI, micro SD and a headphone jack. And even better, all these ports are on the tablet, so they're always available.

Multilanguage Keyboard with extra

The Multilanguage hard Keyboard with integrated touchpad connects to the tablet via 5-pin POGO connectors, allowing for simple and quick connection. The keyboard Includes an extra USB 2.0 port, which allows you to expand connectivity.

Designed for the Best Windows 10 Experience!

INSYS 2-in-1 PC PT8-1040I comes with Windows 10 pre-installed, along with Office Mobile and Cortana, your digital personal assistant. With Windows 10 Continuum mode, Windows detects automatically whether the keyboard is attached or not and adapts the interface to give you the perfect touch- or keyboard-based experience.
